VIOLINIST IN PAIN? Have you been to physicians, chiropractors, acupuncturists, etc. without really being helped? Many people claim they can alleviate the pain. I offer a free first lesson to demonstrate that pain can be eliminated quickly, and that you can still play without pain – even if you have been injured. My approach is based on a combination of Alexander Technique and the playing principles of D.C. Dounis. Contact Larry Johnston at (212) 874-5350 or cljermany@yahoo.com
