CAMPAIGNING AND ACCESS**

1. Inspection of Membership List.

Each duly nominated candidate is permitted, either in person or through a representative, including the Ticket Representative, to inspect the membership rolls of the Local prior to the election. A request in writing must be sent to the Recording Vice President in advance of a candidate's requested inspection date. The authorization of a representative must be in writing and signed by the individual candidate. No candidate or representative may copy the membership list, nor may her/she copy members' personal contact information.

2. Mailings of Candidate Literature.

A. Each candidate shall be permitted a reasonable opportunity, equal to that of any other candidate, to have his literature mailed at the candidate's expense. Each candidate is entitled to a reasonable number of mailings, whether or not any other candidate makes such request(s).

B. Such request(s) for literature mailings shall be made in writing by the candidate to the Local 802 Recording Vice-President, and shall specify the desired date of the mailing and the portion of the membership that is to receive the mailing.

C. Local 802 will arrange for the production of mailing labels/electronic database from the Local Union's computer records and for a New York area mail house to either: (a) label and mail pre-sealed envelopes containing campaign material; or (b) insert the candidate's pre-printed campaign material into labeled and sealed envelopes. Candidates must tender the cost of such literature distribution upon delivery of their material to the mail house. A candidate also will be responsible for reimbursing Local 802 for the reasonable costs it occurred in connection with the distribution of candidate campaign material, including the production of mailing labels, prior to the mailing.

D. The Local Union will not distribute any candidate's campaign literature if that candidate has not paid for the reasonable costs of the mailing, including the costs of printing and

affixing the mail labels, prior to the mailing. Payment of the costs associated with the labels shall be made to the Local Union prior to the time the mailing labels are generated.

E. In complying with requests to mail literature, the Local Union shall use the names and current addresses that are on file for all members. Mailing labels shall be prepared through the least expensive system available to the Local Union.

F. The Local Union may not refuse to process or distribute any candidate's literature on the basis of its content, nor may it edit any candidate's campaign literature.

3. Emailing Candidate Literature

A. Each candidate shall be permitted a reasonable opportunity, equal to that of any other candidate, to have his or her literature sent via electronic mail at the candidate's expense. Each candidate is entitled to a reasonable number of electronic mailings, regardless of whether or not any other candidate makes such request(s).

B. Such request(s) for electronic mailings shall be made in writing by the candidate to the Recording Vice-President, and shall specify the desired date of the electronic mailing and the portion of the membership to receive the electronic mailing.

C. Local 802 will make available to all candidates the opportunity to send campaign communications by email to all eligible voters who have provided an email address to the Union. Email distribution of literature will be transmitted by an independent company designated by Local 802 that specializes in electronic communications. The email message must identify the candidate and be in rich text format. The message may not include attachments, though it may include a website's URL in rich text format. The subject line will read "Local 802 Election Campaign Literature." All messages will be preceded by the following statement:

"This email is not an official communication from Local 802, and has not been transmitted at Local 802's expense."

and followed by the following statement:

"Local 802 is required by federal law to comply with all reasonable requests by candidates for union office regarding the distribution of campaign literature at the candidate's expense. The preceding message has been prepared by the candidate and is not endorsed or reviewed by Local 802. The candidate has not been provided with your email address and will not receive any responses. This message is being transmitted by an independent electronic communications company that has signed an agreement with Local 802 which requires the company to guarantee the confidentiality of your email address."

D. The candidate will be responsible for all vendor costs and will pay the vendor directly for the transmission of candidate literature via email. Local 802 will provide candidates requesting the distribution of literature via email with the name of the authorized vendor. Payments must be made to the vendor prior to its rendering services.

E. Upon the reasonable request of a candidate, Local 802 will provide segmenting services wherein it will isolate the email addresses of a particular segment of the membership and transmit that list to the email vendor. Candidates will be required to reimburse Local 802 for staff time spent segmenting the list at a rate of \$50.00/hour.

F. All vendors will sign a confidentiality agreement that guarantees that members' email addresses will not be made available to the candidate, the recipients of campaign materials, or any third party. The vendor will verify with Local 802, before entering into an agreement with the candidate, that he or she is included on a list of authorized candidates. Candidates will not be able to see progress messages, bounce notifications or failed delivery information. Upon request by the candidate, the vendor will provide him or her with a report on the total number of emails sent and the total number of undeliverable emails.

G. Local 802 may not refuse to process or distribute any candidate's literature on the basis of its content, nor may it edit any candidate's campaign literature.

4. Publication of Candidates' Statements and Photos in *Allegro*

A. Candidate Statements and Photos in *Allegro*. Candidates may submit a photograph and a statement to be included in the November issue of *Allegro*, subject to the requirements set forth in this section. Candidate statements and photos will be listed in *Allegro* alphabetically by office. The November issue of *Allegro* shall contain a written statement that all candidates were afforded the right to submit statements and photos in accordance with these Rules.

B. Candidate Statement Requirements. Candidate statements must be in a single paragraph of not more than one hundred (100) words. Candidate statements may not contain hyperlinks, graphics, or emojis. If a candidate statement contains a website address, the website address will not be displayed as a hyperlink on the electronic version of *Allegro*. To ensure a uniform and equitable display of candidate information, candidate statements will be displayed in paragraph form with no additional spacing and printed in the same font style and size.

- i. Words divided by slashes, hyphens, or other punctuation are counted individually.
- ii. A candidate's name is not counted as part of the statement.
- iii. The names of Local 802, the American Federation of Musicians, the AFM Pension Fund, union officer titles, and the names of union committees are counted as one word.
- iv. "New York City" and "New York" are counted as one word.
- v. Telephone numbers and websites are counted as one word.
- vi. In the event that a statement submitted in advance of the published due date exceeds one hundred (100) words, a candidate will be given the opportunity to revise it prior to the deadline. If a revised statement is not

received by the established deadline, the first one hundred (100) words of the original statement will be printed.

- vii. In the event that a statement submitted in advance of the published due date contains a hyperlink, graphic, or emoji, a candidate will be given the opportunity to revise it prior to the deadline. If a revised statement is not received by the established deadline, the original statement will be printed as is, minus the prohibited content.
- viii. Except as set forth above, statements will be printed exactly as submitted.

C. Deadline to Submit Candidate Statements and Photos. Candidate statements and photos must be submitted to the Recording Vice-President. The deadline to submit photos and statements is **October 18th at 5:00 pm**, but candidates are encouraged to submit their photos and statements as soon as possible. **Candidate statements and photos received after the deadline will not be accepted.** If a document is mailed or emailed, there will be no presumption that it has been received prior to the deadline. Therefore, a candidate who chooses to mail or email such documents is urged to do so within sufficient time for receipt by the established deadline and to check with the office of the Recording Vice-President to ensure that the documents have been received.

5. Freedom to Exercise Political Rights.

Subject to the limitations set forth in Article IV, all Local Union members and all Local Union Officers and employees, if members, retain the right to participate in campaign activities, including the right to run for office if qualified, to openly support or oppose any candidate, to aid or campaign for any candidate and to make personal campaign contributions.

The prohibition on employer contributions extends to every employer, regardless of the nature of the business or whether any union represents its employees. It includes, but is not limited to, political action organizations (other than a candidate's campaign organization), nonprofit organizations, churches or civic groups, law firms or other professional organizations. This prohibition includes a ban on monetary contributions

and the use of stationery, equipment, facilities, personnel, professional services, and other employer resources.

C. Prohibited contributions from members. No member who is an employer of other members, or who is an agent or representative of any employer, or who directs, hires or engages Local 802 members on a continuing basis, or who directs or engages on a continuing basis another person or persons to hire members on his behalf, shall be permitted to make any campaign contributions whatever, directly or indirectly, to any candidate for office in this election. This includes members who act as leaders, contractors, agents, Broadway producers, personnel managers, partners in a booking office or officers of a booking corporation and any member continuously engaged in hiring or supervising or assisting in the hiring of other members. No candidate shall be allowed to solicit or accept campaign contributions of any kind from any of the persons or entities listed herein.

D. Union Contributions. No labor organization, whether or not an employer, shall be permitted to contribute to or use its staff, professional services, facilities, equipment, goods or any other thing of value to support or promote the candidacy of any individual or ticket, and no candidate may accept any contribution or any other thing of value from a labor organization.

2. Use of Local 802 Resources.

A. No Local 802 services, facilities, stationary, equipment or goods shall be used to promote the candidacy of any individual, and all candidates are prohibited from using any of these or other Local 802 resources to promote their campaigns. The use of the Union's logo by any candidate is strictly prohibited. Union officers and employees who normally are reimbursed for cell phone usage will not be reimbursed for such usage during the period from September 1 to December 5, 2018.

B. Any candidate or ticket may rent Club Room A and B and/or the 5th floor conference room at a rate of \$10.00/hour per room before 5:00 p.m. and \$20.00/hour per room after 5:00 p.m., subject to room availability. 3. Social Media.

Campaigning for union office on any Local 802 social media account, including but not limited to Local 802's Facebook and Instagram accounts, is strictly prohibited. Any posts or comments which could be construed as campaigning will be removed by the page or account administrator. This prohibition applies regardless of whether or not the author of the post or comment is a candidate.

4. No Campaigning on Paid Time.

No member may campaign for him/herself or for any other candidate during time that is paid for by the Local Union or by any employer. However, campaigning incidental to work or regular Local Union business or during paid vacation, paid lunch hours or breaks, or similar paid time off, is permitted.

5. Permissible Contributions.

Nothing shall prohibit the donation of services by an individual who is not an employer to a candidate rendered on the individual's personal, uncompensated time.

6. Notice to Contributors.

It is strongly recommended that each candidate notify all prospective contributors of the limitations on campaign contributions on all campaign literature soliciting contributions and at all fund-raising events.
