Grow. Protect. Diversify. Rebuild.

Petitions are in, ballots are arranged, and I am officially unopposed for the office of President of Local 802. I assure every member that I will begin to plan for the rebuilding of our union and I commit to representing all musicians in New York.

I want to hear your thoughts on our business restarting and how the union may serve you. A consensus of opinions, from members, and from the Executive Board officers elected on Dec. 3rd is the best way to solve the many challenges facing our union.

As your President, I will only support programs to grow, protect, diversify and rebuild our union. I will work for you to create a safe and prosperous future for all Local 802 musicians.

Support an independent executive board.

BUILDING ON PROGRESS

Three years ago, the entire Musicians For Change slate was voted in by a historic margin giving us a mandate to rebuild the strength of our union. Our committed team of engaged and active 802 board members achieved financial stewardship, advocacy, strategic negotiating, strong contracts, technology improvements, expanded resources, pandemic relief, paid job opportunities, and much more.

We have made great progress as a union despite many challenges, and we can't allow ourselves to go back to the old status quo. The entire MFC slate is running for office to ensure that our union continues to move forward, evolve, and change to ensure a better future for all musicians!

Vote for Harvey S. Mars For Local 802 AFM Recording Vice President

I have the experience, competence, knowledge, education, and independence necessary for the many challenges that lie ahead for the Officers of Local 802. I have-

- Served as counsel to five different Local 802 Administrations since 1996.
- Negotiated every contract serviced by the Recording Vice President.
- Worked hand in hand with the current Recording Vice President.
- In addition to a JD, earned a Master of Science in Industrial and Labor Relations from Cornell University as well as certifications in Labor Leadership, Advanced Collective Bargaining and Labor Studies.
- An Artist Diploma in Trombone Performance from MSU.

I earnestly believe that I am the right candidate for Recording Vice President position and if elected I will do my utmost to rebuild, grow and strengthen Local 802 so that it will remain a vital force for the advancement of all professional musicians' interests for years to come.

I want to hear your thoughts! Please feel free to contact me at HMarsRVP@gmail.com.

ANTHONY GORRUSO

for

LOCAL 802 RECORDING VICE PRESIDENT

I'm a longtime Local 802 member and a trumpet player, composer, arranger and producer. I firmly believe in consulting with both present and former administrations as well as rank-and-file committees to better protect union members and to negotiate contracts that will suit their needs. I still work in every possible musical field that I will represent, which uniquely qualifies me over my opponent in knowing what's relevant and happening today!

Click here to e-mail me at ttrumpetguy@gmail.com to learn more about my experience, including: budget preparation, music contracting, negotiating, Broadway Theatre Committee, and my nine years on the Local 802 Trial Board.

Twenty years ago, Dr. Peter Rosenstein, 64, a New York City Dentist, began taking trumpet lessons. He also attended music school in Cuba. He now plays in various Latin and Jazz ensembles and also on Sundays for St. Cecilia at a Spanish Mass. In the meantime he has created a small music museum in his dental operatory featuring, among other things, autographed trumpets by Herb Alpert and Wynton Marsalis. Being a trumpet player, has also given Dr. Rosenstein insight into the special dental concerns of other brass and woodwind players. Even the slightest change in the dentition can affect the embouchure and therefore the ability to play and the sound produced. As a result, he has treated numerous musicians over the years.

Kaleidoscope Sound opened its doors over 20 years ago to serve the greater New York music community. We have worked hard and are proud to have become a premier music recording studio, supporting the art and sound of New York's finest musicians. Who knew we would be celebrating 20 years of great music by re-opening? Yes, this is what we are doing!

After careful research, implementing strict cleaning and UV equipment sterilization protocol, following recommendations from both the Audio Engineering Society and Local 802, we are pleased to announce August 15, 2020, as our official "Re-Opening." Covid-19 has impacted us all personally, professionally, and for some, so much more. We are happy to be able to get back to what we love and do, and in a responsible way.

We look forward to helping you with your music or video project. Please let us know if you are an 802 musician, and you will receive a 20% discount during these "Covid Times."

Let's be smart, be careful, and make something great together!

Please see our website at kaleidoscopesound.com for further information.
Please call Randy at (201) 223-2868 for scheduling and information.
We look forward to the opportunity to work with you on your music.
