Saint Thomas Choir School

PHOTOS (LEFT AND CENTER) © IRA LIPPKE

Combining a rigorous curriculum with an intensive musical education in a boarding setting

Saint Thomas Choir School nurtures and educates the treble choristers of the Saint Thomas Choir of Men and Boys. The school's small size and low faculty-to-student ratio allow teachers to address the strengths and needs of each child, while the schoolwide focus on music ensures that boys with a passion for singing can grow in extraordinary ways.

Caring for choristers as boys and young men

Full-time faculty members live at the school, some raising families alongside students, and share in the many routines of daily life. They tend and guide, helping students grow into young men who exhibit poise, presence, and a deep sense of serving the community. Students' families are welcomed into the heart of the school and the life-changing experience it provides.

Opening doors and changing lives

As professional singers, the boys are invited to perform at renowned venues around the world. They learn responsibility, discipline, hard work, and teamwork, and they enjoy many cultural experiences that the city and school offer—from skating in Central Park, to catching a Yankees game, to attending an opera at the Met or ringing the bell on the stock exchange.

Offering the experience of a lifetime

Do you know a boy who loves to sing? The choir school accepts students without regard to religious, economic, or social background, and auditions are scheduled throughout the year. Families are notified of an admissions decision within a few weeks, and generous financial aid is available to all successful applicants. Please contact us to hear more or arrange a visit.

PHYSICAL THERAPY

"I know how to help musicians" – Shmuel Tatz, PT, PhD

Dr. Tatz worked with these four luminaries, plus many others:

"I go to Shmuel because he delivers results. Results are what count at the end of the day. Shmuel is a very talented man. I don't know if there's anyone like him in the country. If you're serious about getting better, you go to see Shmuel, in my humble opinion." – Lou Reed

"Shmuel is an enormously gifted, highly trained and experienced physical therapist... he is also knowledgeable in the unique needs of artists who so often have problems caused by professional work over the years." – Isaac Stern

"Mr. Shmuel Tatz is one of the most sensitive and effective gifts to the violinist and to all who require so much of their body. I am most thankful to him." – Yehudi Menuhin

"Mr. Shmuel Tatz has the most extensive knowledge of physical therapy...(and a) great repertoire to affect the muscles of professional performers, but also a unique talent to psychologically impact the patient." – Mstislav Rostropovich

Dr. Shmuel Tatz also helped the younger generation of musicians, including Midori Goto, Daniil Trifonov, Evgeny Kissin, Lang Lang, Joshua Bell and Gidon Kremer
