## Saint Thomas Choir School

PHOTOS (LEFT AND CENTER) © IRA LIPPKE

### Do you know a boy who loves to sing?

Saint Thomas Choir School nurtures and educates the treble choristers of the Saint Thomas Choir of Men and Boys. The school's small size and low faculty-to-student ratio allow teachers to address the strengths and needs of each child, while a schoolwide focus on music ensures that boys with a passion for singing can grow in extraordinary ways. The choir is invited to perform at renowned venues, presenting concerts in New York, across the country, and around the world.

### Offer him the opportunity of a lifetime

The choir school's residential faculty guides and supports students in their academic and musical endeavors, helping them grow into young men who exhibit poise, presence, and a deep sense of serving the community. These experiences prepare choristers for a meaningful and rewarding journey through adolescence and beyond, regardless of their professional goals.

## Open House and Chorister for a Day: Sunday, October 23

- 2:00–3:30 p.m.** All are welcome to visit this unique musical institution and tour the school's rehearsal space, practice rooms, classrooms, and dormitory.
- 2:30 p.m.** Interested boys in grades 2–6 are invited to join in preparation for Evensong. Visiting boys will walk with choristers from the school to rehearse with music staff and sit with the choir during the service. Families, please reserve your boy's place by emailing [admissions@choirschool.org](mailto:admissions@choirschool.org).
- 3:30 p.m.** Parents of current choristers will join guests walking to Saint Thomas Church for Evensong, a contemplative service to end the day.

PHYSICAL THERAPY

## "I know how to help musicians" – Shmuel Tatz, PT, PhD

---

Dr. Tatz worked with these four luminaries, plus many others:

*"I go to Shmuel because he delivers results. Results are what count at the end of the day. Shmuel is a very talented man. I don't know if there's anyone like him in the country. If you're serious about getting better, you go to see Shmuel, in my humble opinion." – Lou Reed*

*"Shmuel is an enormously gifted, highly trained and experienced physical therapist... he is also knowledgeable in the unique needs of artists who so often have problems caused by professional work over the years." – Isaac Stern*

*"Mr. Shmuel Tatz is one of the most sensitive and effective gifts to the violinist and to all who require so much of their body. I am most thankful to him." – Yehudi Menuhin*

*"Mr. Shmuel Tatz has the most extensive knowledge of physical therapy...(and a) great repertoire to affect the muscles of professional performers, but also a unique talent to psychologically impact the patient." – Mstislav Rostropovich*

Dr. Shmuel Tatz also helped the younger generation of musicians, including Midori Goto, Daniil Trifonov, Evgeny Kissin, Lang Lang, Joshua Bell and Gidon Kremer
