Saint Thomas Choir School *in the heart of New York City*

Do you know a boy who loves to sing? Give him the opportunity of a lifetime.

Saint Thomas Choir School nurtures and educates the treble choristers of the renowned Saint Thomas Choir of Men and Boys. Boys in grades 3–8 from across the country sing, study, play, perform, and live together during the academic year, thriving in a setting with a shared passion for music. The boys grow into young men with poise, presence, and a deep sense of serving the community. Whatever path they follow, graduates are prepared for a rewarding journey through adolescence and beyond. To learn more, visit www.choirschool.org or contact Ruth Cobb at admissions@choirschool.org or 212.247.3311, ext. 541.

Learn more about the choir school experience in this brief video: *The Making of Handel's Messiah*.

Find out more about this opportunity of a lifetime by visiting the school's website.

Body Turning

PHYSICAL THERAPY

"I know how to help musicians" – Shmuel Tatz, PT, PhD

Dr. Tatz worked with these four luminaries, plus many others:

"I go to Shmuel because he delivers results. Results are what count at the end of the day. Shmuel is a very talented man. I don't know if there's anyone like him in the country. If you're serious about getting better, you go to see Shmuel, in my humble opinion." – Lou Reed

"Shmuel is an enormously gifted, highly trained and experienced physical therapist... he is also knowledgeable in the unique needs of artists who so often have problems caused by professional work over the years." – Isaac Stern

"Mr. Shmuel Tatz is one of the most sensitive and effective gifts to the violinist and to all who require so much of their body. I am most thankful to him." – Yehudi Menuhin

"Mr. Shmuel Tatz has the most extensive knowledge of physical therapy...(and a) great repertoire to affect the muscles of professional performers, but also a unique talent to psychologically impact the patient." – Mstislav Rostropovich

Dr. Shmuel Tatz also helped the younger generation of musicians, including Midori Goto, Daniil Trifonov, Evgeny Kissin, Lang Lang, Joshua Bell and Gidon Kremer

Luis Clark
and Clark
carbon fiber instruments

ph 617-698-3034
luisandclark.com

"The instrument responds when you just breathe on it, which means its quite easy to play very softly with good control, which is so essential to playing opera... I wish I could go back and play my whole career over with this instrument. The easy response that I have grown to like so much is still there, but the potential for sound in this instrument is enormous."

Peter Labella, Violinist and Orchestra
Personnel Manager, Chicago Lyric Opera

"My Luis and Clark violin is astounding. It has such an excellent sound. Beautiful sound. Truly beautiful, big sound. I like your instument very much."

Larry Grika, Emeritus violinist, Philadelphia Orchestra

"Absolutely incredible! Wonderful tone. Would this revolutionize the music business world?"

Rafael Frühbeck de Burgos, Chief Conductor of the Orchestra Sinfonica Nazionale della RAI, Torino, Italy, and Music Director of the Dresden Philharmonic Orchestra, Dresden, Germany, Conductor Emeritus of the Spanish National Orchestra.

"The Luis and Clark violin is a terrific solo violin... it graced an entire festival performing chamber music with Stradivaris, Guarneris, Amatis and many other superb traditional instruments... It takes its place seamlessly in the company of great string instruments."

Paul Rosenthal, Artistic Director, Sitka Summer Music Festival

The Center for the Performing Artist

Comprehensive and Integrated Health Care for Performing Artists

World-class artists deserve world-class care. NewYork-Presbyterian/Weill Cornell Medicine's Center for the Performing Artist provides unparalleled, comprehensive care for professional and student artists.

Our one of a kind approach focuses on each artist's individual needs, and the unique, physical demands of their profession. Artists come to us for every area of specialty care, including:

**Ear, nose, and throat disorders • Musculoskeletal injuries • Neurological disorders
Pulmonary disorders • Primary care and medical concerns**

Visit us in-person or by Video Visit. You can rest assured that we have taken every step to keep our facilities safe.

**Make an Appointment. Call or visit us online. 646-962-ARTS(2787)
<https://weillcornell.org/services/center-for-the-performing-artist>**

When you choose NewYork-Presbyterian/Weill Cornell Medicine, you have access to an amazing network of physicians for seamless care.

- As our patient, you receive a dedicated care coordinator who will help you find the right specialist and assist with scheduling and referrals — at no additional cost to you.
- With the Weill Cornell Connect app, you can view test results, message your doctor, request medication refills and more — no matter where you are.

NewYork-Presbyterian Hospital is ranked #4 in the nation and #1 in New York, according to U.S. News & World Report's "2020–21 Best Hospitals" survey.
